see: [Side Event Program \(pdf\)](#)

Organized by the **Communitas Coalition for Sustainable Cities & Regions** – UN Habitat, Tellus Institute, ICLEI and nrg4SD – in collaboration with Member States Friends of Cities and the UN Sustainable Development Solutions Network (UN SDSN). With the generous support of the Ford Foundation & the Charles Léopold Mayer Foundation.

Communitas' ultimate vision is to advance **just, prosperous** and **sustainable** cities & regions in the SDGs; so that the new overall UN Development Agenda capitalizes on the megatrend of urbanization in order to halt growing inequality and longstanding poverty at the city-region scale within the framework of sustainable development.
